Assessment and completion

System of assessment:

Students' vocational abilities and skills and the fulfilment of conditions to obtain credits in accordance with the education programme are established through testing and assessment. Assessment also takes into account non-formally acquired knowledge that can be adequately demonstrated. Students are assessed using grades from 5 (excellent) to 1 (inadequate).

Progression

Students progress to the next year if at the end of the academic year they achieve a positive assessment in all subjects or modules and have met other requirements defined by the education programme. Exceptionally, students can progress to a higher year even without achieving a positive assessment in all subjects or modules.

Transitions

Access to further education:

Secondary technical and vocational-technical education; master craftsman/foreman/shop manager examination (SQF level 5)

Condition for obtaining certificate

Passing the final examination.
