- transfer knowledge, skills, experience and new developments in the profession to apprentices, students and co-workers,
- make products and provide services in the florist's profession on the level of a master craftsman,
- make bouquets, arrangements, wreaths and floral containers for various occasions,
- decorate spaces and maintain floral products.

Accessors

Members of examination boards for each examination unit separately. Appointed by the minister responsible for education. Appointment may be renewed every 4 years.

Assessment and completion

System of assessment:

The candidate sits for a master craftsman's examination, which consists of four units:

- a practical unit,
- a specialised theoretical unit,
- a business and economic unit, and
- a teaching/instruction unit.

Condition for obtaining certificate

A candidate must pass all four units of a master craftsman's examination to receive the title of master craftsmen.

Awarding body

Chamber of Crafts and Small Business of Slovenia
