- autonomously write survey articles,
- communicate and popularise Greek and Latin language, literature and culture,
- undertake autonomous professional development in fields related to the research of classical languages, literature and culture.

Assessment and completion

Students' knowledge is assessed by means of practical exercises and seminar papers, and also via products, projects, performances, services, etc. and by examinations. Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

In order to progress to the second year, students must have completed all course units prescribed by the curriculum and individual syllabuses for the first year, for a total of 60 credits. In order to progress to the third year, students must have completed all course units prescribed by the curriculum and individual syllabuses for the second year, for a total of 60 credits. In order to progress to the third year students must therefore have completed prescribed course units totalling 120 credits.

Transitions

Second-cycle master's study programmes (SQF level 8)

Condition for obtaining certificate

To complete the study programme, students must complete all course units prescribed by the curriculum and individual syllabuses, for a total of 180 credits. In the final year of the programme students must write and successfully defend a bachelor's thesis.
