SQF 7  
EQF 6  
First level

## Learning outcomes

The qualification holder will be able to:

- plan, implement, coordinate and organise research and use various research methods and techniques,
- demonstrate critical and reflective understanding of social contexts that are inseparably linked to information and communication technologies, and understanding of associated norms, institutions and dynamics of development,
- plan, evaluate and look to the future,
- anticipate and predict the development of events,
- find solutions to basic problems,
- express themselves in writing, make a public presentation and argue a point of view,
- work and cooperate with others,
- take into account the opinions of others and fulfil agreed roles within a group,
- analyse and coordinate work tasks and select appropriate methods and modes of work,
- work flexibly in various social and institutional environments and different cultural contexts, including international cooperation, in an interdisciplinary setting,
- carry out complex IT-based and mathematical/statistical procedures in the analysis, planning and evaluation of information systems in various social contexts,
- demonstrate knowledge of foreign languages.

## Assessment and completion

Students' knowledge is assessed by means of practical exercises and seminar papers, and also via products, projects, performances, services, etc. and by examinations. Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

## Progression

Students may enrol in the next year when they have completed all course units in the current year for a total of 60 credits.

## Transitions

Second-cycle master's study programmes (SQF level 8)

## Condition for obtaining certificate

In order to complete the programme, students must complete all course units prescribed by the study programme and publicly defend a bachelor's thesis.

## Awarding body

University of Ljubljana, Faculty of Social Sciences
