Assessment and completion

Assessment methods are in accordance with

https://www.uni-lj.si/o_univerzi_v_ljubljani/organizacija_pravilniki_in... Statute of the University of Ljubljana and listed in the curriculum.

Progression

Progression to a higher year is possible with at least 50 credit points of the current year (without a special application) and all completed obligations of previous years. In case of exceptional circumstances (specified in the UL Statute), on the basis of an approved application, those students who have completed at least 45 credits of the current year and have completed all obligations of previous years may also enroll in the senior year.

Transitions

Second-cycle master's study programmes (SQF level 8)

Condition for obtaining certificate

All completed programme obligations and diploma thesis (worth 10 credits) up to 10,000 words, which must be publicly defended before a three-member commission consisting of two members of the department and one external member. Students who continue their studies at the 2nd level are not required to write a diploma thesis, but must prepare a research seminar paper of up to 4000 words, which is evaluated by two evaluators. If a student enrolls in the 2nd level and does not complete it, he / she must pass the conditions for completing the study at the 1st level without continuing at the 2nd level.
