- demonstrate knowledge of the work carried out by museums and the national institute for the protection of cultural heritage in Slovenia, and show familiarity with their basic working procedures and the tasks they perform,
- demonstrate knowledge of professional ethics in archaeology.

## Assessment and completion

Students' knowledge is assessed by means of practical exercises and seminar papers, and also via products, projects, performances, services, etc. and by examinations. Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5-1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

## Progression

In order to progress to the second year, students must have completed all course units prescribed by the curriculum and individual syllabuses for the first year, for a total of 60 credits. In order to progress to the third year, students must have completed all course units prescribed by the curriculum and individual syllabuses for the second year, for a total of 60 credits. In order to progress to the third year students must therefore have completed prescribed course units totalling 120 credits.

## Transitions

Second-cycle master's study programmes (SQF level 8)

## Condition for obtaining certificate

In order to complete the programme, students must complete all course units prescribed by the study programme and individual subject syllabuses, for a total of 180 credits. In the final year of the programme students must write and successfully defend a bachelor's thesis.

## Awarding body

University of Ljubljana, Faculty of Arts
