- demonstrate understanding of language and culture as inseparable elements of the identity of the individual and the identification of a nation, while understanding and respecting the differences between languages and cultures,

- use intercultural linguistic communication and empathy in the process of the contact of languages and cultures, and participate in research into related social phenomena,
- develop a critical attitude with respect to phenomena in society and show responsibility, initiative and autonomy in decision-making and the management of the most complex work in the field of social activities and operations.

Assessment and completion

Students' knowledge is assessed by means of practical exercises and seminar papers, and also via products, projects, performances, services, etc. and by examinations. Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

Students may progress to the next year if by the end of the academic year they have completed all requirements defined by the study programme for progression to the next year.

Transitions

Second-cycle master's study programmes (SQF level 8)

Condition for obtaining certificate

In order to complete the programme, students must complete all course units prescribed by the study programme.
