- demonstrate knowledge of the basic characteristics of the Japanese language at all levels,
- demonstrate knowledge of the fundamental principles of the use of the Japanese language in various social contexts,
- communicate simple content in Japanese, both orally and in writing,
- demonstrate knowledge of the fundamental historical and social determining factors that shape contemporary Japanese society,
- demonstrate openness in contact with other cultures,
- show critical understanding of own culture in the context of other cultures,
- demonstrate awareness of the limits of their knowledge and, if necessary, supplement their knowledge independently.

Assessment and completion

Students' knowledge is assessed by means of practical exercises and seminar papers, and also via products, projects, performances, services, etc. and by examinations. Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

In order to progress to the next year, students must have completed 60 credits. A tolerance of up to 10% of credits per year will be permitted in exceptional circumstances. Course units not completed must becompleted before enrolment in the next year.

Transitions

Second-cycle master's study programmes (SQF level 8)

Condition for obtaining certificate

In order to complete the programme, students must complete all course units prescribed by the programme and subject syllabuses.
