Field
Transport, varnost, gostinstvo in turizem, osebne storitve

ISCED subfield

subfield varnost, varovanje, zaščita in reševanje

Qualification level

SQF 7
EQF 6
First level

Learning outcomes

The qualification holder will be able to:

- demonstrate understanding of the functioning of the security system both historically and in a specific social situation,
- detect, analyse and address security problems both in organisations and in various communities,
- carry out action research and the basics of applied research in the field of security phenomena both in local communities and organisations and in an international context,
- apply theoretical findings from security studies to a specific working or living environment and synthesise security studies knowledge with other related disciplines,
- manage the communication process with the help of contemporary technologies and the use of the appropriate communication techniques between various factors in situations of interdependence to ensure security in both local and international environments.

Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

In order to enrol in the second year, students must have passed all first-year examinations (60 ECTS credits) or at least 51 ECTS credits. In order to enrol in the third year, students must have passed all first- and second-year examinations, for a total of at least 111 ECTS credits (60 ECTS credits for the first year and 51 ECTS credits for the second year).
A candidate who does not meet the above conditions for enrolment (a student who has completed fewer than 51 ECTS credits) may submit a written application to the Academic Affairs Committee requesting enrolment in the next year, enclosing justified grounds as defined by the Statute of the University of Maribor. This applies to progression from the first year to the second year, and from the second year to the third year.

Transitions

Second-cycle master's study programmes (SQF level 8)

Condition for obtaining certificate

In order to complete the programme, candidates must successfully complete all course units defined by the study programme, for a total of 180 ECTS credits.

Awarding body

University of Maribor, Faculty of Criminal Justice and Security
