- make contact within and outside an organisation, and manage formal and informal relations,
- apply scientific research ethics and humanistic values in all work environments,
- demonstrate a broad humanistic-social horizon and quality interdisciplinary research work.

Assessment and completion

Examination performance is scored as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

Students must complete requirements totalling at least 45 credits to progress to the second year. Candidates who have met all of the study requirements for organised forms of study from the first and second year and whose doctoral dissertation topic has been approved by the University of Ljubljana may enrol in the third year.

Condition for obtaining certificate

Candidates must successfully complete all study requirements prescribed by a programme and successfully defend their doctoral dissertation. Doctoral candidates must publish at least one scientific article in the field of their doctorate in a publication recognised as relevant by the Faculty of Arts and the Faculty of Social Sciences. The doctoral candidate must be the lead author of the article. The scientific article must be published or accepted for publication before the oral presentation of the doctoral dissertation.

Awarding body

University of Ljubljana, Faculty of Arts and Faculty of Social Sciences
