Assessment and completion

Examination performance is scored as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

Students may enrol in the second year if they have accumulated 54 of 60 required credits of a study programme. The missing 6 credits may not pertain to core subjects, but may pertain to subjects from the elective module.

Transitions

Third-cycle doctoral study programmes (SQF level 10)

Condition for obtaining certificate

All study requirements outlined in the program (120 credits) must be met for the completion of studies. When students meet all requirements from a study programme to obtain an educational qualification (102 accumulated credits with completed examinations and 18 credits for the writing of a master’s thesis), they complete their studies by orally presenting their master’s thesis.
