- work autonomously and take part in group work,
- manage their own professional development and lifelong learning,

- undertake self-criticism and offer well-argued criticism of others,
- set out and defend their own rights, interests and needs,
- show independence, initiative, creativity and originality.

Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5-1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

In order to progress from the first to the second year, students must have completed in full the course units prescribed by the curriculum and individual syllabuses for the first year, for a total of 60 credits. A tolerance of up to 10% (6 credits) will be permitted in exceptional circumstances.

Transitions

Third-cycle doctoral study programmes (SQF level 10)

Condition for obtaining certificate

In order to complete the programme, students must complete all course units prescribed by the study programme and the syllabuses of individual subjects, for a total of 120 credits. Students are awarded their master's degree on successfully defending a written master's thesis before a panel consisting of a supervisor and two members.

Awarding body

University of Ljubljana, Faculty of Arts
