Learning outcomes

The qualification holder will be able to:

- develop critical thinking,
- independently acquire knowledge and expertise,
- demonstrate mastery of research methods, procedures and processes,
- develop own approaches to problem-solving,
- analyse, synthesise and anticipate solutions at a higher level,
- communicate orally and in writing at a higher level,
- work as part of a team,
- work autonomously within the discipline,
- pursue lifelong learning in a knowledge-based society,
