ISCED field

Field
Družbene vede, novinarstvo in informacijska znanost

ISCED subfield

subfield novinarstvo in medijske študije

Qualification level

SQF 8
EQF 7
Second level

Learning outcomes

The qualification holder will be able to:

(general competences)

- demonstrate mastery of in-depth knowledge for research and analytical work related to social communication at the interpersonal and institutional levels and with the mass media,
- apply this knowledge in the context of a research practicum,

(subject-specific competences)

- carry out independent research covering all phases of communication studies research from concept and planning to implementation of research and writing a report, giving emphasis to both the theoretical design and diversity of communication studies research and the operationalisation and implementation of empirical research.

Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

The programme has a one-year duration so there is no progression to subsequent years.

Transitions

Third-cycle doctoral study programmes (SQF level 10)

Condition for obtaining certificate

In order to complete the programme, students must complete all course units in all subjects in which they have enrolled and successfully defend a master's thesis via a public presentation.

Awarding body

University of Ljubljana, Faculty of Social Sciences
