Type of qualification

Diploma druge stopnje

Category of qualification

Izobrazba

Type of education

Master's education

Duration

2 years

Credits

120 credits

Admission requirements

The condition for enrollment in the first year is:

- a diploma in the field of humanities or social sciences in the first-cycle study programme; or
- a diploma in the field of humanities or social sciences in a academic higher study programme or a specialist study programme after completing academic higher professional education, adopted before 11 June 2004; or
- a diploma from other professional fields in the first-cycle study programme, if the candidate completes the study obligations that are essential for the continuation of studies before enrollment. Study obligations in the amount of up to 60 credit points (ECTS) are determined by the competent commission of UP FHŠ on the basis of the individual application of the candidate, taking into account the field of previous study. The prescribed obligations may be fulfilled by the candidate during the study at the first-cycle, in further training programmes or other forms of formal education or by taking examinations before enrollment in the master's study programme; or
- a diploma from other professional fields in a academic higher study programme or specialist study programme after completing higher professional education, adopted before 11 June 2004, if the candidate completes study obligations prior to enrollment, which are essential for the continuation of studies. Study obligations in the amount of up to 60 credit points (ECTS) are determined by the competent commission of UP FHŠ on the basis of the individual application of the candidate, taking into account the field of previous study. The candidate can perform the prescribed obligations in further training programmes or other forms of formal education or by taking exams before enrolling in a master's study programme; or
- a diploma in a comparable study programme abroad, according to which the candidate, in accordance with the law, is granted the right to continue his / her education in the study programme.
