Learning outcomes

The qualification holder will be able to:

- demonstrate familiarity with ways of life and cultural diversity,
- autonomously perform specialised tasks in relevant fields,
- provide cultural mediation, fulfil coordination and management functions and complex specialist roles in cultural institutions and non-governmental organisations in relation to administrative and professional activities, the gathering, recording and documenting of data and information, and the transfer and practical application of knowledge and information,
- undertake fieldwork and work with people in different cultural contexts, particularly in the countries of Europe,
- undertake independent research, applied and development work.

Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5-1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

In order to progress to the second year of the CREOLE programme, students must have completed at least 54 credits.

Transitions

Third-cycle doctoral study programmes (SQF level 10)

Condition for obtaining certificate

In order to complete the programme, students must complete all course units prescribed by the study programme and the syllabuses of the subjects included in the individual programme. In order to complete the programme, students must complete course units totalling 120 credits and successfully defend a master's thesis.
