Second level

Learning outcomes

The qualification holder will be able to:

General competences:

- Analytical,
- use of methodological tools,
- leadership skills,
- professionalism,
- group work,
- communicativeness

- strategic orientation in the field of public relations.

Subject-specific competences:

The programme develops students' knowledge for analytical, research, consulting, management and implementation activities in the field of public relations. It is intended primarily for staff with the most demanding professional tasks and management staff of public relations departments.

After completing their studies, masters are competent for the comprehensive implementation of research projects in public relations or also more widely in marketing communication with the help of quantitative and qualitative methodology and a combination of these.

Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5-1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

The study lasts one year, so there is no progression to a higher year.

Transitions

Third-cycle doctoral study programmes (SQF level 10)

Condition for obtaining certificate

The student completes his / her studies after completing all the obligations in the enrolled subjects and successfully defending the master's thesis in public. The procedure for defending a master's thesis is determined by the valid Rules on studying in second level programmes
