Learning outcomes

Qualification holders will have absorbed in-depth knowledge of individual theatrical disciplines with an emphasis on high-quality and innovative research both of their immanence and of the reference environment in which they are situated. They will be able to constantly verify and enhance knowledge and methods of work and seek new paths. The knowledge acquired will tie up with the results achieved at the undergraduate level and graduates will also be able to discover new forms, expressions and methods of work.

Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

Students may enrol in the second year if they have successfully completed the first-year course units prescribed by the programme.

Transitions

Third-cycle doctoral study programmes (SQF level 10)

Condition for obtaining certificate

Students complete their studies when they have completed all course units and written and successfully defended a master's thesis. The thesis defence must take place within five years of enrolment at the latest. Graduates of this programme must complete the programme by the 30.9.2016.
