Second level

Learning outcomes

The qualification holder will be able to:
(general competences)

- perform advanced independent research work,
- autonomously resolve the most complex professional and scientific problems,
- critically analyse problems and synthesise knowledge and findings,

(subject-specific competences)

- perform the most complex professional and management work in administration in the first career grade, on the level of advisor, secretary, secretary-general, head and director of service and head of the most complex projects,
- enhance and define theoretical knowledge obtained in first-cycle programmes,
- pursue complex forms of solving problems in practice,
- build upon existing knowledge and seek solutions by means of research work,
- formulate and publish research results in professional and scientific publications,
- coordinate and implement research in the public sector,

- manage research projects.

Assessment and completion

Examination performance is graded as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5-1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

Progression

Students may progress to the next year if by the end of the academic year they have completed all requirements defined by the study programme for progression to the next year.

Transitions

Third-cycle doctoral study programmes (SQF level 10)

Condition for obtaining certificate

Students must meet all requirements defined by the study programme to complete their studies.

Awarding body

University of Ljubljana, Faculty of Administration
