Learning outcomes

Candidates will be able to:

- plan and organise own work and participate in planning the work of a team,
- ensure the quality and efficiency of own work in the working environment in accordance with regulations and standards,
- keep abreast of development of the profession,
- make rational use of energy, material and time,
- protect health and the environment,
- develop enterprise characteristics, skills and behaviour,
- communicate with co-workers,
- acquire sound, image, audio-visual and other content on various supports,
- undertake technical processing of material and establish rights to use material,
- take responsibility for the permanent and complete storage of material,
- ensure the accessibility of material and cooperate creatively in the use of material.

Accessors

Verification and assessment are carried out by committees for the verification and validation of national vocational qualifications, appointed by the National Examination Centre (NEC). Committee members must be licensed by the National Examination Centre. Licences may be found here .

Assessment and completion

VALIDATION
During the counselling process, the candidate prepares a portfolio. The relevant committee assesses the portfolio and validates catalogue content in part or full. If the committee is unable to recognise all catalogue content, it assigns tasks to the candidate for verification.
VERIFICATION METHOD

- Practical verification with an oral presentation or
- preparation and oral presentation of a technical assignment which the candidate encloses with a portfolio.

Condition for obtaining certificate

Candidates demonstrate attainment of the knowledge, skills and competences defined in the catalogue of standards of vocational knowledge and skills.

Awarding body

Providers of procedures for identifying and validating national vocational qualifications are entered in a register of providers maintained in the relevant database of the National Reference Point for Occupational Qualifications. Providers include: vocational schools, companies, inter-company training centres, adult education centres, chambers of commerce, etc.
