- maintain and repair tyres and wheels on motor vehicles, motorcycles and trailers.

Accessors

Members of examination boards for each examination unit separately. Appointed by the minister responsible for education. Appointment may be renewed every 4 years.

Assessment and completion

Candidates sit a master craftsman examination, which consists of four units:

- a practical unit,
- a technical and theoretical part,
- a business and economics part,
- an education part.

Condition for obtaining certificate

Candidates must pass all four units of the master craftsman examination to receive the title of master craftsman.

Awarding body

Chamber of Crafts and Small Business of Slovenia
