Accessors

Members of examination boards for each examination unit separately. Appointed by the minister responsible for education. Appointment may be renewed every 4 years.

Assessment and completion

Candidates sit a master craftsman examination, which consists of four units:

- a practical unit,
- a technical and theoretical part,

- a business and economics part,
- an education part.

Condition for obtaining certificate

Candidates must pass all four units of the master craftsman examination to receive the title of master craftsman.
