- collaborate/work as part of a team and demonstrate sensitivity to people and social situations,
- demonstrate knowledge and understanding of the development processes, differences and needs of the individual,
- demonstrate understanding of individual values and value systems and deal with questions of professional ethics.

## Assessment and completion

Students' knowledge is assessed by means of practical exercises and seminar papers, and also via products, projects, performances, services, etc. and by examinations. Examination performance is scored as follows: 10 (excellent); 9 (very good: above-average knowledge but with some mistakes); 8 (very good: solid results); 7 (good); 6 (adequate: knowledge satisfies minimum criteria); 5–1 (inadequate). In order to pass an examination, a candidate must achieve a grade between adequate (6) and excellent (10).

## Progression

In order to progress to the second year, students must complete 60 ECTS credits, which must include all

first-year requirements in the main subject and all compulsory subjects. In order to progress to the third year, students must complete at least ECTS 120 credits, which must include all first-year and second-year requirements. Students who choose more than one elective subject may also progress without having completed one compulsory subject if they have accumulated 120 credits.

## Transitions

Second-cycle master's study programmes (SQF level 8)

## Condition for obtaining certificate

Students must complete all requirements defined by the study programme and the syllabuses of modules and subjects in order to complete their studies. On completion of studies, students must have completed 180 credits under the current programme.

## Awarding body

University of Ljubljana, Academy of Music
